

# DNA with a Twist

Activating  
Student  
Questioning with  
an interesting  
TWST on DNA  
modeling

# Karen Avery

BA, MS Biology,  
EdD Student, STEM Education

The Pennsylvania College of Technology

Williamsport, Pennsylvania

Instructor: **Biology, Microbiology**  
High School Biology

# Dan Williams

BS, MA Biology

High School Teacher

NYS Master Teacher, SAR Biology STANYS

## Shelter Island High School

Shelter Island, New York

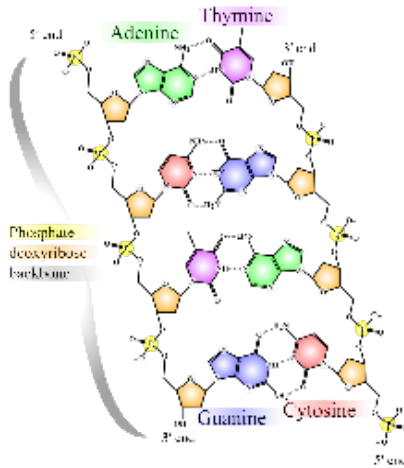

“All models are wrong,  
but some are useful”
